Mr. Tim Woodward, Principal

Message from the Principal:

Dear Parents and Friends,

As we move into the final month of school, please remind your son or daughter of the importance to keeping focused on academics at Lakeview, as grades are still being earned and calculated into your child's final grade for the 2016-2017 school year

Teacher and Staff Appreciation week is May 1 through May 5, 2017. Help your son or daughter show their appreciation for his or her teacher with a card, brief note or letter. Please turn these in to the front office at your convenience and Mr. Woodward will get them to the teacher. Go Dragons!

Teacher and Staff Appreciation

Teacher and Staff Appreciation week is May 1 through May 5, 2017. Help show your son or daughter's teacher that he or she is appreciated by participating in honoring them on the following days.

- Monday-May 1, "Lakeview teachers and staff treat us with kindness." Bring a snack or treat for your teacher.
- Wednesday-May 3, "Teachers plant seeds of knowledge for students to blossom." Bring your teacher a flower.
- Friday-May 5, "Teachers take note." Write your teacher a thank you note or card expressing your appreciation.

Let's show the staff and teachers that their effort teaching each day in the classroom is truly appreciated. Please remember that this is strictly voluntary.

Immunization Requirements

The following information is very important regarding immunization requirements for the 2017-2018 school year per Arizona School Immunization Law, Article 7, R9-6-701-708:

All students are required to show proof of chickenpox (varicella) immunization or to provide a signed history form stating that the student has had chickenpox.

Important Notice
For the 2017-2018 school year, Arizona School Immunization Law states that all students 11 years of age and older entering the sixth, seventh, and eighth grades must have one dose of Meningococcal vaccine (MV). These students are also required to have one dose of Tdap vaccination if five or more years have passed since their last tetanus/diphtheria vaccine dose.

If your child has received the required immunization, please provide the school with the documentation (shot records). The record must show the child's name, date of birth, date dose received, and physician/health agency that administered the immunization.

If you have any questions or concerns please contact Mrs. Pacheco in our health office at 602-896-5810.
