Mr. Tim Woodward, principal

## Message from the Principal:

Dear Parents and Friends,

Welcome to the 2018-2019 school year! I have seen many smiles, new faces and excited students ready for a great year!

In an ongoing effort to promote Lakeview's vision of "providing a school climate that allows every student the opportunity to grow and thrive," we will continue our school wide behavior system this year called PBIS.

PBIS stands for *Positive Behavioral Interventions and Supports*. The philosophy of this program is that by acknowledging students for their positive behavior choices through tickets, praise, and rewards, students will begin to build an internal motivation to behave in a positive way. These positive behaviors will continue to build the positive learning environment we have here at Lakeview.

Our expectations for students and staff are our ROARS Expectations. They stand for:

R—Respect

O—On Task

A—Always Be Nice

R—Responsibility

S—Safe

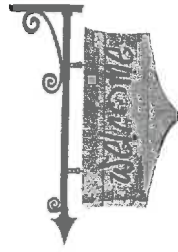

Students demonstrating these expectations can receive a ROARS ticket. The student then puts his or her ticket in the classroom bin. On Fridays, two names from each grade level are pulled during the morning announcements. These winners will receive recognition on the announcements, a ROARS certificate and can choose a prize from our ROARS Rewards Board.

Students have been learning about our ROARS expectations these past few weeks and are excited to start earning their ROARS tickets!

**Thank you in advance for your support and GO, DRAGONS!**

Tim Woodward

## Student ID Cards

WESD Transportation Department will require a Z-Pass to ride the afternoon buses starting Monday, August 20, 2018

Each student at Lakeview should have received an ID card, coin sticker Z-Pass and a pouch with a lanyard. The blue Lakeview ID card is for students to use in the library to check out books and to scan for lunch in the cafeteria. On Friday, these cards became your son or daughter's permanent ID card when school pictures were taken.

The other plastic PVC coin-shaped card (referred to as a Z-Pass) with the numbers printed on it is used to track a bus rider as he or she boards and departs from a school bus.

It is important to know that safety is our top priority, and each student should wear his or her ID card and Z-Pass daily while on campus. These cards are very important, so encourage your child to keep it from being lost or stolen. Why? There is a \$2 replacement fee for both cards or \$1 for individual cards. Lanyards and pouches may be replaced, for 50 cents each.

## SCHOOL PICTURES

All students in kindergarten to sixth grade were photographed during Lakeview's picture day on Friday, August 17. Picture envelopes were distributed to students last week. Thank you to our volunteers, Maria, Kathy and Sara.

If you missed the chance to purchase a picture package, there will be a 2<sup>nd</sup> chance card coming home with your child in about 4 weeks that will have instructions. You can call Dorian Studios at 800-826-3535 with any questions.

### Volunteering @ Lakeview

Attention Parents! Here's an opportunity for you to get involved... by volunteering. This year, all parents, grandparents and community members interested in volunteering in any capacity must complete the forms in the WESD Volunteer Handbook. This includes anyone interested in chaperoning on field trips. Don't hesitate to ask for a handbook on your visit to the school or go online to the Community tab and click on Volunteer Opportunities. Bring the completed forms to the office for processing.

### PTA Happenings

The Lakeview PTA membership drive has begun. Joining is easy! Parents interested in becoming a member of the PTA should complete a membership form and return with their child. Forms are located in the office.

The PTA's next meeting is on Tuesday, August 28 at 6 p.m. in the library. Come meet the officers and start getting involved. Watch for upcoming PTA events!

### Immunization Requirements

The following information is very important regarding immunization requirements for the 2018-2019 school year per Arizona School Immunization Law, Article 7, R9-6-701-708:

All students are required to show proof of chickenpox (varicella) immunization or to provide a signed history form stating that the student has had chickenpox.

For the 2018-2019 school year, Arizona School Immunization Law states that all students 11 years of age and older entering the sixth, seventh, and eighth grades must have one dose of Meningococcal vaccine (MV). These students are also required to have one dose of Tdap vaccination if five or more years have passed since their last tetanus/diphtheria vaccine dose.

If your child has received the required immunization, please provide the school with the documentation (shot records). The record must show the child's name, date of birth, date dose received, and physician/health agency that administered the immunization.

If you have any questions or concerns please contact Mrs. Mindy DeBernardis in our health office at 602-896-5810.
