

**Washington Elementary School District  
Lakeview School Site Council Application**

The mission of the Lakeview School Site Council is to promote a safe and positive learning environment for students to develop basic skills for life.

With the mission statement in mind your commitment to the Lakeview School Site Council is a minimum of being able to regularly attend Site Council meetings and participate in the collaborative decision making process. Meetings take approximately 1 1/2 (one and one half) hours per month. The Site Council will set the meeting dates and times at the beginning of each school year. Occasionally you will be asked to sit on special committees designated by the Site Council. All terms are for 2 (two) years, unless a vacancy has occurred, then the vacancy is filled for the balance of the term left for that seat. Thus there can be 1 or 2 (one or two) year terms available.

I am interested in applying for a position on the Lakeview School Site Council as a representative of:  
 Certified Staff     Classified Staff     Parent/Guardian     Patron/Community Member.  
 One Year Term                       Two Year Term

Certified and Classified Staff members must be employed at Lakeview School, Parent/Guardian must have a child currently enrolled at Lakeview School, Patron/Community Member must be a resident of or owner of a business within the Lakeview School attendance area, and not employed by the WESD nor a parent/guardian of a child attending any school within the WESD.
